Survey Price (USD) \$16.00/foot. (minimum fee of \$450.00 for any survey) Total agreed price \$_____. Payment made by Cash, Check or Credit Card prior to receipt of survey report. Credit card and Pay Pal payments will charged a 3% service fee on total invoice.

Damage surveys, Cargo surveys and consulting services will be billed hourly plus travel at \$85.00 per hour.

A PDF copy of the survey report will be sent via email within ___3___ business days of completion of vessel inspections.

The survey will be conducted with reasonable care and due diligence with a hands on and visual survey of all accessible areas of the vessel. The vessel will be surveyed without removal of any fittings, tacked carpet, screwed or nailed boards, fixed partitions, anchors, chain, or other fixed or semi fixed items. The owner is advised to open and make accessible all areas of the vessel.

The surveyor will not operate any machinery or equipment without the presence of the owner or the owners representative. Engine and machinery should be surveyed separately by a qualified engine surveyor.

The spars and standing rigging are inspected from the deck only. Beyond visual inspecting of rigging, customer is advised to consult with rigging surveyors.

The surveyor will make neither weight calculations nor measurements. All dimensions and weights are from published specifications. All recommendations and remarks will be expressions of the surveyor based on experience, skill and training. No part of the survey report will issued as an expressed or implied warranty or guarantee of the vessels condition, value and replacement cost.

Acceptance and use of this report by the client acknowledges the client's understanding that the report has been composed of information that is believed to be true after reasonable investigation and inquiry but is not warranted to be so. The information was obtained without drilling, diving, ultrasonics, cleaning or opening up to expose parts or conditions ordinarily concealed. There were no tests for tightness or soundness conducted other than the conditions noted visually.

Acceptance and use of this report acknowledges the client's understanding that no determination of stability or structural strength has been made and no opinion is expressed.

Acceptance and use of this report acknowledges the client's understanding that C & C Marine Services does not accept any responsibility for damage or deterioration not found or discovered during the course of survey, nor for consequential damage, deterioration or loss due to any error or omission.

The Client hereby undertakes to keep the Surveyor/Consultant and its employees, agents and subcontractors indemnified and to hold them harmless against all actions, proceedings, claims, demands or liabilities whatsoever or howsoever arising which may be brought against them or incurred or suffered by them, and against and in respect of all costs, loss, damages and expenses (including legal costs and expenses on a full indemnity basis) which the Surveyor/Consultant may suffer or incur (either directly or indirectly) in the course of the services under these Conditions.

Notwithstanding the above clause, in the event that the Client proves that the loss, damage, delay or expense was caused by the negligence, gross negligence or willful default of the Surveyor/Consultant aforesaid, then, save where loss, damage, delay or expense has resulted from the Surveyor's/Consultant's personal act or omission committed with the intent to cause same or recklessly and with knowledge that such loss, damage, delay or expense would probably result, the Surveyor's/Consultant's liability for each incident or series of incidents giving rise to a claim or claims shall never exceed a sum calculated on the basis of ten times the Surveyor's/Consultant's charges.

I agree and consent to the above terms and conditions.
